

RESERVATION POLICY FOR EWTN LIVE SHOWS

EWTN has implemented the following policy regarding seating for all Live Shows:

- **Admission to all Live Shows will be by reservation only.** Reservations are for general seating and do not imply the assignment of a specific seat or section. Your name will be on a seating list--there are no physical tickets.
- **Occasionally, Live Shows are canceled.** Should this occur, we will promptly attempt to contact those with reservations to inform them of this change.
- For **Groups** registered with the EWTN Pilgrimage Department: We can only reserve space for your group for one of the Live Shows. You may make provisional reservations in case we have room to accommodate your group on another night.
- **Groups and Individuals** wishing to attend a Live Show must make their reservations in advance by contacting the EWTN Pilgrimage Department. Contact us by phone: (205) 271-2966, or go online at www.ewtn.com/pilgrimage/reservations/reservations.asp.
- Pilgrims with special needs (including those with wheelchairs or walkers) should notify us when making reservations.
- **Please make your reservations as soon as possible to insure available seating.**
